Who we are

We, at Eden Resort Wellness and Rehabilitation, honor the sacredness of each one of our residents and the holiness of our work through high standard of services, state of the art facilities ,equipment and luxury establishment.

We are providing exceptional experiences whether you are looking for a short-term or a long-term stay, wellness pampering, rehabilitation, nursing care, independent or assisted living or a new life plan.

Location

The Eden Resort Wellness and Rehabilitation is ideally located on the Tersefanou Hill in Cyprus, with panoramic and unobstructed view of the rural nature and the Mediterranean Sea.

Is within walking distance from coffee shops, shops, church, school and other amenities but away from the noise and the disturbance of a residential area.

The Eden Resort is in 5Km proximity of the Larnaca International Airport, Larnaca City is only in 12Km distance where one can find all services that a modern city is offering to its residents and tourists. The beach is only 3Km away.
